

Getting Here

4 The Cottages, The Green, Old Buckenham, NR17 1RB.
Sat Nav will probably bring you to the Shop/Post Office.

Any problems at all, call me on 07836 545 382.

Park in the layby cut out of the green on the left hand of this picture, or turn in towards the shop and park where the red car and silver van are parked if there is space. Failing that, use Abbey Road which is immediately opposite The Gamekeeper pub and walk up the track towards and past the shop. Parents park at school times here so please allow yourself a few extra minutes to find somewhere safe and walk the few minutes up to my room.

Once you are safely parked, you will find the treatment room on the furthest of the 4 terraced red-brick cottages on the side of the shop furthest from Forge Close.

When you arrive at the house, walk down the gravel path to the left side of the house and round into the garden. There is a brick building in the garden with a solid wooden door – please knock at your appointment time.

I'm really looking forward to working with you.

Neil
